

*“You should each give, then, as you have decided, not with regret or out of a sense of duty; for God loves the one who gives gladly. And God is able to give you more than you need, so that you will always have all you need for yourselves and more than enough for every good cause.”*

*2 Corinthians 9:7-8*

*Thank you for your support!*

# Planned Giving

## What is Planned Giving?

Planned Giving is a method of supporting our Parish. This is dependent on the generosity of our parishioners to help sustain our Parish and its many charitable and pastoral works. Generally, this support is through 2 collections at each weekend Mass.

## Why Planned Giving?

When you make a pledge, it helps the Parish Finance Committee develop a budget. This in turn allows the Parish to make plans towards new developments or coordinate maintenance schedules. Every amount helps.

## How do I make a pledge?

There are two ways to make a pledge. Our Planned Giving Program allows you to pledge any amount via the **Planned Giving Envelopes** or through **Direct Debit**.

If you choose to use the **envelopes**, these will be ready for collection prior to the commencement of a new planned-giving year.

As we progress into a cashless society, you may prefer to contribute electronically. You will be able to set up your online banking to pledge your amount, and select the frequency of your payment as well.

# First Collection

The **first collection** is for the support of priests in our Parish, and all clergy in the Perth Archdiocese. Each priest draws a stipend from the first collection for living expenses, health, food, transport and housekeeping.

Contributions towards the support of priests are not recorded, so you do not have to indicate an amount on the Pledge Form. If you wish to make a contribution to support the priests, kindly note the bank details below:

# Second Collection
